Dear Jack:

For your sake, stop making statements for television newsmen. Your statements are edited to make you look crude, or you are without a doubt the biggest ass of the century. Your statement on Hate Groups is an excellent example. How can you, a person in a blind rage of hate who deliberately gunned down a hand-cuffed man, lambast any hate group? If it is permissible for you to write, I would appreciate a reply.

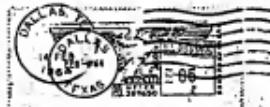

I personally feel no malice toward you and will take this opportunity to wish you good luck.

Dear Uncle Jack,

Sorry I haven't written sooner. But I wanted to write when it would do the heat for you spirit wise. Florence and the baby are fine and everything seems to be going along fairly well. Pio's dance studio is growing very well and I am working as a production assistant on the "Terry Mason Show" for CBS. Ronine is two and a half now and growing like a weed. We've enclosed a picture of her so look good in the envelope. she's very small.

I spent quite a bit of time with Earl when he was out here in Los Angeles. He was really putting in long hours and hard work. I don't know if he remembered to tell you, but your brother friends out here want to be remembered to you.

With all that has been going on and written and said in the last few months, a lot of memories have been brought back. There sure has been a lot of water under the bridge since Independence Boulevard.

I can tell by Mom's letters that she hasn't gotten over Dad's passing away yet. I have been trying to get her to move out here, but she won't give in. With the kind of winters back there you would think she was an eskimo. One of these days she'll give in.

Hollywood is still here and I am in the middle of the rat race. Once you're in the film industry you stick with it and try to come across the one deal for a picture or television series that will put you on your way. Florence says if I had a nickel for every hour I've spent promoting a deal we could retire. I probably don't need to tell you that L.A. is growing by leaps and bounds and soon the city limits will be the outskirts of San Francisco.

1367

I don't think Helvin Belli will remember me, but we met when he was on a television show on CBS Los Angeles called "Viewpoint" with John Hart. I worked that show at the time.

Ella and Jenny asked me to remember to you. Of course they hope that everything will turn out all right. Well that's about all from the West at present. Keep your head about you and think before you answer. I'm sure everything will turn out all right if you work with Belli and keep your spirits up. Hope to see you out here soon, I know a great steak house and the dinner is on me.

Dear Mr. Ruby:

Since you appear to be receiving several copies of the Bible, I would like to suggest that these be placed in the various tanks at the County Jail. I know that many times Bibles in the tanks are torn and have some of the pages missing. This could be a valuable contribution to the prisoners in the months to come.

If I can assist in any way as you continue to discover new and remarkable experiences through the reading of a new version of the Holy Bible I would be pleased to do so. It is indeed remarkable how God has manifested Himself through Jesus Christ. We believe that this God-like-man best reveals the nature of God to mankind. May the Spirit lead you as you make some remarkable discoveries in faith.

God loves your soul Mr.

"We must keep changing for the better. We must not stay in our ways. We do not subscribe to the old ways. The old individual man. We must acknowledge that our government has a vital role in co-ordinating the efforts of the various groups."

He said that the national council of the party which will meet in Ottawa in May will be asked by the Quebec group to make a statement of its own structures. This was due to the differences in the relationships which now exist between the provincial and the federal groups.

He announced that the QLP executive committee which met yesterday had decided to absent itself from the party's weekly paper, *La Réforme*. It had been owned until now by a private group.

He also said that the new QLP convention, which is to be held in Montreal next Sept. 24-25, will have as its theme "The People of Quebec." Details would be announced later.

Jury Finds Man's Death Justified

A coroner's jury ruled today that Marcel Tremblay committed justifiable homicide in killing his father to end the latter's attack on his family early Saturday.

Copster Marcel Tremblay, 21, agreed with the verdict. He said it was appropriate in view of "the way that presented the house as a refuge for the most sadistic, monstrous tendencies."

Victim was Clement Dubreuil, 57.

Evidence at the hearing today showed Dubreuil was attacking his son punishment on his daughter who had decided to stop him from his wife's 15-year-old son. The boy took a shotgun from a closet and shot his father down with a shot that passed through the heart. Dubreuil got up again and went after the boy, who ran back to the house and got a .357 calibre rifle. He shot his father four times in the chest.

Boy Discharged

Dubreuil ended 30-day sentence at Montreal jail last month ago for what was described as violent handling of his 18-year-old daughter. His wife testified at the inquest today that she had him for assault and for robbing her of \$100 with him was 17 years old, he said.

The boy said his earliest recollections were of being thrown up in the air and beaten up by the ceiling by his father.

"Several times," he swore, "my father punched my nose, would stand in her crib, to make her stop crying."

The jury received its verdict about leaving their seats to

attend hearings which sent the

boy out by hours of 14 or 15. "When I came home, they never had any results of 17 and another 18 months," he said.

QFP sources state the method of investigation to date is anachronistic to the QFP.

The RCMP, the Army Preventive Comptroller and the various departments' special services squad are also interested in the investigation.

No arrests have been made and they were of the opinion the thief was "a prick."

The robbery was at the armory of the 4th Field Artillery Royal Canadian Engineers. Non-commissioned officer carbines and bayonets were taken.

They were not recovered, however, by a Normandy police unit, who found them buried in a field.

QFP spokesman said this afternoon the arms had been placed in damage bags before being transported to the view.

"In which means of transport the thieves hid them there until they could come back for them later," he said.

The youths were arrested less than an hour after the arms were found. Police also recovered a number of rifles, carbines and compasses stolen from the armory.

Pinball Gar Non-gamblin

A pinball game should not be labelled as a gambling device simply because it is difficult to win, the Quebec Court of Appeal ruled today.

Justice Paul Casey and

Pierre Estabrook overruled a appeal of Rita Tanguay against a conviction of operating a gambling house, 905 St. Clement street, in December, 1962.

The alleged offence took place in December, 1962.

The game in question, the

which was operated by a mechanical device.

Mr. Justice Casey said: "That

the prosecution had to establish beyond a reasonable doubt that

that the operator of this particular machine had skill and that the player was

little or no experience.

It was not sufficient to show

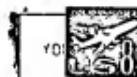

that the machine was not a game on which to score, nor did the prosecution draw the definition of a competition from the fact

that no money was paid for the machine a relatively small number of times and had failed

Mr. & Mrs. J. F. Kennedy and others who
were invited - wife.

He is a man of great worth, and loved our
President, who has sacrificed his
very life in the attempt to obtain
a just peace, and now about
of his career life is at the mercy, not
merely of -

Our friends have much work ahead to
work out this history nation-wide.
We'll always remember the day of his
murder to protect us all by his influence,
and we will try to continue his work
now as far as we can. We will always remember
with fondness all the love, concern and the
love for our brothers and sisters
which he had. He will be missed
immensely, so we tried to do
something to keep to our memory
I do not feel that God is the judge
on the wrong of these persons in interf
with the President much! From the all
that is the issue, it seems there are many
things left to be done, especially God! By
this I mean the future of our institutions

1874

it says in the Bible³ "To not like the word of God in vain" How can God help those who will not obey His commands and defy His Law?

Men's hearts can be broken, by changing but not God; Because God is all in all; He fills all space, He is all power, all truth, all life, and love! Forgiven love because He gave His only perfect Son to die for our sins.

Jesus was the man, Christ was the divine mind, spirit, the link which never departed from the Father God the Spirit! As long as the Jewish race will deny Jesus Christ as the one perfect Son of God and the Savior of humanity, so long will they live in darkness, and God will not be able to reach them; because they lost the divine guiding light that kept them in close contact with their God!

Jesus Christ is their only Hope of glory, He is the way, when we accept His faith and follow His example we shall find new life new peace new hope. This is ~~and~~ the reason why

4
will to you, to help you, to find yourself -
to give you new hope!

The Jewish race are the first children of
God, and they are still His perfect
children, if they realize their mistakes;
like all humanity they turned away
from God, when they served themselves;
to be deceived by false gods, meaning
worshipping the wrong things which do
not please in God!

The Bible is still the Best book in the
earth, if we only read its messages
assuredly, and at least try our best
to live to it.

So when the world was so spoiled,
the many forgot God as their Father, and
rained on - they brought upon themselves
such great trouble.

But because God is love, forgiving love
He went to save them, knowing He knew
they were innocently misguided in doing
wrong, and there, He went to save, so He
caused Jesus Christ to be born, obtaining
Him with His God-power to teach them
new life, to give them new hope -

5

to guide them out of darkness!
Believe me Mr. Riley this is true, if you
study jesus christ's teaching and pray
in faith, He will give you hope
and lead you to have better life.
Inasmuch everything seems impossible
for you, "With God all things are
possible."

I'm not writing this about jewish too
out of criticism but out of hope that
they awake to Jesus Christ's guidance
and accept Him as their Saviour!
the old testament is of the past, the
new testament is of the new.—
"Be ye renewed in the spirit" Jesus
said, not because He was infected
with His God given power, but because
He knew humanity was in need of
fresh new ideas of their identity to
God! They had to learn all over
that life is eternal, and man is created
in the image and likeness of God!
Himself! But man must work with God
and His Son to find it out!
we don't use force, on His children.

they alone must be willing to accept
Him and do as He says, in order to be
in constant touch with Him.

If you need courage to acknowledge
to God, that you have sinned, do it
in all sincerity within your heart,
ask for forgiveness, and then go on living
in hope, and Christ divine mind within
you, to inspire and guide you. Place
all your problems in God's hands;
each day pray; and then set your mind
on some worthy plans for future.
Don't worry about what will happen to
you, because what ever will happen
will be for your own good. resign
yourself to meet any problem whether
you like it or not, as long as it is
good, that God is offering new life
for you, because He loves you —
maybe you will have to do some stern
remonstrance for your foolish deed, just meet
each problem with courage and faith
that it happened for your good!
Be humble, start controlling your temper
and impatience, remember you

are a Son of God and an Heir to all His good; and believe that God has only good in store for you.

Dear your old life experiences behind you, you alone can change your life for the better, however yesterday you were a child, you thought as a child - but today you're a man, and you start thinking like a man, you will grow stronger and better each day.
Don't let God in vain and He will help you.

We can fool ourselves and others - but we can't fool God, He knows all! and knowing how true we are, shall we receive our rewards.

I'm sending some literature, which may help you if you will read it.

It took time, I too was born in poverty and my childhood full of care, I found out who had to live at my neighbors who might not always followed the golden rule, but I didn't back to all - as they did my self respect and humble dignity, was of course to stay on the side tried out many golden rule to under others as you

would do unto yourself
no harm, Ruby, I do not approve of women
stripping and enticing men to false excitement,
not when I was young and pretty,
and not even now that I'm old. I would
earn money like that if I'd rather scrub
floors for someone and keep my self
respect, to be honest with yourself is not
so easy, facing the worldly temptations.
But I pay great dividend in peace
of mind! I don't have to look into
a mirror and be ashamed to look
myself in the face.

Don't be a party to the odd life you lead.
You have good heart and good intentions,
turn to God, and He will guide
you to make a living by better means.
I do not condemn those women in their
